Application forms must be returned to the Local Authority by the closing date. Your child may have less opportunity to be allocated to your preferred school if your application is received after the closing date.

Late Applications

Late applications will be considered after those received by the closing date if the Local Authority considers that there are good reasons for the application form being late, which must be included with the application form. For example, exceptional medical reasons preventing an earlier application, recent move of house – supporting evidence must be provided. If the Admission Number for the requested school has been reached, parents will be offered the right to an appeal. All late applications will be ranked in accordance with the oversubscription criteria and any places which become available will be offered to the highest ranking applicants up to the end of the allocation period. A waiting list will also be maintained for that school if necessary and any places that become available will be offered to the highest ranking applicant on the list.

The Process for offering school places

The Admission Number for each school relates to the number of children that can be admitted to each year group during the school year. The Admission Number for each school is calculated using the capacity assessment method in the Welsh Government's guidance document 'Measuring the Capacity of Schools in Wales'. All school Admission Numbers are included on the 'Schools List'.

All pupils will be admitted if the Admission Number has not been reached. When this occurs, the Local Authority applies the published oversubscription criteria to rank all preferences expressed to see who can be offered a place. All preferences received will be considered on the basis of equal preferences. This means parents may express a number of preferences that will be considered in the same way without reference to a preference ranking. If a place can be offered at more than one of the preferences expressed (because a preferred school is undersubscribed or because the applicant has a high enough priority against the criteria for an oversubscribed school, or because a school receives the same number of applications as the number of places available), the place offered will be for the school ranked highest on the application.

If you express a preference for a voluntary aided school or foundation school in Flintshire the relevant school will be sent your details. The timetable for admissions (above) also applies to voluntary aided and foundation schools. These schools are responsible for considering your child's application against others received in accordance with their own oversubscription criteria. The school governors should use the school's own oversubscription criteria to rank applications and make offers of places. Any preferences not met will be returned to the local authority and will be treated equally with other preferences expressed for Flintshire Community Schools.

Please note neighbouring local authorities' timetables may be different to those above but Flintshire will work closely with neighbouring LAs to coordinate admission arrangements. If the school for which you wish to express a preference is in another county please contact the respective Local Authority to ensure you do not miss the closing date.

Policy for Admissions to Schools

The County Council, as the Local Authority, is responsible for determining the arrangements for admissions to all Community Primary, Welsh Medium Primary, Secondary, Welsh Medium Secondary, Special Schools and Voluntary Controlled Schools. The Local Authority will consult annually with school Governing Bodies and the Diocesan Education Authorities in relation to admissions.

The Local Authority will comply with statutory requirements and the Welsh Government School Admissions Code and will take account of the expression of parental preference in the context of its duty to ensure the provision of effective education and the efficient use of education resources. When considering applications, the Local Authority will observe the provisions of the School Admissions Code which states that admission authorities should admit to the school's admission number and will rarely be able to prove prejudice as a ground for refusing an additional pupil while the numbers remain below the admission number. In the case of sixth form admissions, applications may be made by either the parent or the young person or both.

The Local Authority will comply with its duty to ensure the provision of effective education and the efficient use of resources. In so doing, the Local Authority will have regard to the total resources, including accommodation and staffing, available to each school and any constraints imposed by the school organisation and curriculum. It will also consider the resource implications for the authority and impact on other education policies.

When a parent gives fraudulent or intentionally misleading information in order to obtain a place at a school for their child, the Local Authority reserves the right to withdraw the offer of a place. Where a place is withdrawn on the basis of misleading information, the application must be considered afresh and a right of appeal offered if a place is refused.

Admissions Procedure

The annual admissions procedure applicable to the relevant age group includes the following stages:

- Publication of the 'Guide to Education Services'.
- Arrangements to enable parents to express a preference for a school they wish their child/children to attend, and, in the case of sixth form admissions, expression of a preference by

either a parent or a young person or both. By law, parents who express a preference are given priority for admission over those who do not.

- Consideration of preferences up to the Admission Number for each school.

Please Note

Expressing a preference does not guarantee a place at your chosen school if that school is oversubscribed. If more parents apply for places at the school than the number of places available, the Authority will apply the oversubscription criteria for allocating places as set out in the policy.

Welsh Language Policy for all schools

The Authority's Welsh Language Policy aims to ensure that all pupils reach a standard of bilingualism. It will be the responsibility of the Authority, in conjunction with the Headteacher and the School Governors, to ensure the teaching of both Welsh and English is in accordance with National Curriculum requirements.

Primary Education will be provided for all children mainly through the medium of English, or mainly through the medium of Welsh.

Secondary Education will be provided for all children mainly through the medium of English, or mainly through the medium of Welsh. To ensure continuity with the primary schools, Welsh will be taught as a second language in all secondary schools where the main medium of instruction is English.

Flintshire County Council, working in partnership with schools will provide parents with full information and understanding of the advantages of Welsh medium education and the opportunities which exist within Flintshire, explaining clearly that

- there is no need for parents to be Welsh speakers for their children to take advantage of this opportunity
- receiving education in a designated Welsh medium school enables pupils to become fully bilingual
- there are intellectual advantages to being equally fluent in two languages

Pupils who have received their education through the medium of Welsh in primary school transfer to the Welsh medium Secondary School (Ysgol Maes Garmon) at Key Stage 3. Pupils can transfer from English medium primary schools to the Welsh medium Secondary School where they will be offered the immersion scheme that is available at the end of Year 6 and all the way through Year 7. For further details about the scheme please contact Ysgol Maes Garmon Tel: 01352 750678.

Admission Phases

Early Entitlement to Education

A part-time education place is available for every child the term after his/her third birthday.

Children born in...	Entitled to...
Autumn Term	2 terms of educational provision (Spring and Summer)
Spring Term	1 term of educational provision (Summer)

Children born in the Summer term receive their education entitlement in the school nursery classes in the Autumn term after their 3rd birthday. Parents may state a preference for an approved setting which may be a pre school playgroup (English or Welsh), a private day nursery, a 'network' childminder or school

nursery class. Applications for early entitlement are made directly to the setting. Forms are available all year.

Notes:

- 1. Admission to an Early Entitlement setting at a particular school does not guarantee subsequent admission to nursery at that school. A fresh application will be required.**
- 2. No transport is provided.**

For further information on approved settings please contact: Family Information Service, Tel: 01244 547017.

Nursery

Local Authorities in Wales have a duty to provide sufficient nursery places in their area. A child becomes eligible for a place at a nursery class in the September following the child's 3rd birthday. Nursery education is not compulsory and parents have no right of appeal regarding nursery admissions under the School Standards and Framework Act 1998.

Nursery schooling in all schools/units will be provided on the basis of 5 x 2.5 hour sessions per week for each child. Places are available in Nursery classes at all Flintshire primary schools, up to the Admission Number for each school.

Parents may express a preference for any nursery irrespective of where the child's home is in relation to the school. However, expressing a preference does not guarantee a place at that nursery. In the event of oversubscription, applications for nursery places will be dealt with by applying the oversubscription criteria in respect of primary schools as set out in this Guide.

Notes:

- 1. Admission to a nursery class at a particular Primary School does not guarantee subsequent admission to reception class at that school. A fresh application will be required.**
- 2. No transport is provided.**

Primary

The Authority will admit a child to a maintained primary school at the beginning of the school year if the child has achieved his/her 4th birthday on or before August 31st of that calendar year.

Once a reception place has been offered and accepted, parents may defer their child's entry until the start of the term following the child's 5th birthday. Parents are not able to defer entry beyond this point, or beyond the academic year for which the original application was accepted.

In accordance with legislation, infant class sizes (Reception, Year 1 and Year 2) are restricted to a limit of no more than 30 per school teacher. In respect of junior classes (Year 3 to Year 6), the target is no more than 30 per school teacher.

Secondary

Pupils will normally be transferred from a primary to a secondary school in the September following their 11th birthday.

Application Forms

A parental preference form for nursery, primary and secondary school admission will be available on line (preferred method of application) on www.flintshire.gov.uk/schools/schooladmissions or by contacting the Admissions Team (admissions@flintshire.gov.uk; 01352 704068/704073). Forms will be available according to admissions timetable as set out in this Guide.

Oversubscription Criteria

All pupils will be admitted if the Admission Number has not been reached. However, if the Admission Number has been reached, applications will be considered against the oversubscription criteria, which are listed in priority order.

Criteria to be applied in order of priority by the Local Authority for admission to Nursery, Primary and Secondary Schools:

- a) Looked after children (children in care) and previously looked after children
- b) pupils for whom the preferred school is the nearest appropriate school to the pupil's home address
- c) pupils who will have a sister or brother attending the preferred school on the expected admission date. The 'sibling rule' will only be applied for the statutory period of education i.e. up to Year 11.
- d) pupils for whom the preferred school is not the nearest to their home address. Pupils will be admitted in order of proximity to that alternative school and up to its Admission Number.

Tie-breaker

If there are more applicants than places in any of the above categories, priority will be given to applicants living nearest the school, measured from the child's home address to the recognised main entrance of the school.

If the authority is unable to comply with the parental preference(s) expressed then the parent will be offered a place at the next nearest appropriate school with an available place.

Where a school is named in a Statement of Special Educational Needs, the local authority has a duty to admit the child to that school.

For the allocation of places, the nearest appropriate school is interpreted as:

- (a) the school nearest to the child's home measured from child's home address to the recognised main entrance of the school.**
- (b) the nearest Welsh medium school where parents wish their children to receive their education through the medium of Welsh.**
- (c) the nearest Denominational school where parents wish to have their children educated in a denominational school.**

The Council uses Routefinder, a network analysis system fully integrated into the Geographical Information System (GIS) software, to calculate home to school distance in miles. The shortest route is calculated from an applicant's home address to the recognised main entrance of the school.

It should be noted that transport will only be provided in accordance with the Council's Transport Policy.

Nearest suitable school

When making a decision about the 'nearest suitable school' the Authority will accept only the pupil's home address and not that, for example, of childminder or grandparents. Parents may be asked to provide

official documentation showing residency at the relevant home address, such as evidence of Council Tax. Parents are advised that a school place may be lawfully withdrawn if the information given on their application form is fraudulent or misleading.

Sibling (brother/sister)

A sibling is defined as a full, half, step, foster or adopted brother or sister living together as one household at the same address and where the elder sibling is of statutory school age and will still be registered at the preferred school when the younger child is eligible to attend. In considering siblings, first priority will be given to applications from multiple birth children.

Multiple Birth Children

Twins, triplets, quadruplets, etc, residing at the same address and applying for places in the same year group will be given priority for admission in the main admissions round under the 'sibling' criteria. If it is not possible to offer places to all multiple birth children residing at the same address and applying for places in the same year group, the Authority will offer places for all of those multiple birth children at the next nearest appropriate school with available places.

Admissions to schools other than those maintained by the LA

Parents wishing to express a preference for a school in a county other than Flintshire should still use the Flintshire preference form and it will be passed to the relevant Local Authority, with the exception of Cheshire West and Chester Council who request you contact them directly. Please be aware of each Authority's admission timetable and closing dates.

Notifying Parents

The outcome of an application for admission will be notified to parents in writing. Where the application has been refused, the letter will set out the reasons for the decision and the right of appeal and a return proforma will be sent. Parents will be asked to decide by a specified date one or more of the following options:-

- Place child's name on a waiting list
- Proceed to appeal and place child's name on a waiting list
- Accept the place offered at an alternative school for which preference has been expressed
- Make a new application for an alternative school

Waiting Lists

Waiting lists for oversubscribed schools will be prepared and will consist of those children whose parents have specifically requested in writing (including email) to be placed on the school's waiting list, those for whom an appeal form has been received and any late applications. Waiting lists will be maintained until 30 September in the school year concerned. After that date, any parents still wishing to be considered for a place must specifically request in writing to remain on a waiting list.

Admission of Pupils from outside Flintshire

Pupils applying for admission to a school in Flintshire who do not reside in Flintshire will be offered a place at a school in accordance with the admissions policy.

Change of School within Flintshire during the year

Schools in Flintshire have an agreed protocol for transfers from one nominated school to another other than at the normal transition point. A parent seeking such a transfer should initially speak to the headteacher of the child's current school to discuss the reasons for that transfer. If, following this discussion, the parent wishes to continue

the process, contact should then be made with the headteacher of the new school. Headteachers will refer parents to the Local Authority, particularly in cases where pupil numbers in the new school have exceeded the Admission Number in the appropriate year group. In such circumstances admission to the new school may be refused. Parents who are dissatisfied with this may give notice of appeal, as outlined below.

Admissions other than at normal entry point (ie September each year)

For pupils moving into the area at times other than the normal admission round (September of each year), the Local Authority will endeavour to meet parental preferences as far as possible. Where a school is oversubscribed, parents will be offered a place at an alternative school. The parent may then accept the alternative placement, or may give notice of appeal.

Appeals Procedure

If the Authority is unable to comply with the parental preference the parent will be given the reason in writing and offered a place at another school. The parent may then accept the alternative placement and may give notice of appeal. Information on how to appeal will be provided. Details describing the appeals procedure are also available on www.flintshire.gov.uk/schools/schooladmissions. Alternatively, please contact the Admissions Team on 01352 704068/704073.

Appeals must be made in writing giving reasons, and sent to the Admissions Team. The Authority will initiate the appeals procedure. Appeals will be heard within 30 school days of the appeal being received in writing (or within 30 working days if received during the school summer holidays). Every effort will be made to hear appeals as quickly as possible. The parents, or parent accompanied by a friend if desired, will be given an opportunity to appear before an Independent Appeal Panel. The decision of the Independent Panel will be notified to the parent in writing and is final and binding on all parties.
